

## Placement details

### Swamy school of Nursing

we take pride in offering robust and comprehensive **placement opportunities** that prepare our nursing students for successful careers in healthcare. Our strong relationships with top-tier hospitals, healthcare institutions, and community health organizations ensure that students receive diverse and hands-on clinical experience in real-world settings.

We partner with leading healthcare providers—ranging from large teaching hospitals and specialty clinics to community-based health centers and long-term care facilities. This allows our students to gain practical experience in various healthcare environments, ensuring they are prepared for the demands of the nursing profession. Key partners include

#### **1. Aster Ramesh Hospitals, Vijayawada and Guntur**

**2. KIMS group of hospitals, Secunderabad.**

**3. Tata Medical Center, Kolkata.**

Where our students work alongside experienced healthcare professionals and build their clinical skills.
